To Whom It May Concern:

Auger Built, Inc. has worked with Fielek Builders since March 2004. We have found this company to be well managed, performing high quality work all the while maintaining organized job sites. It has been our experience that they pay their bills and complete their work in a timely manner. They have been involved in building single-family dwellings, condominiums and multi-family apartments.

Fielek Builders has directed a well run, family owned, profitable company. They have also put their efforts in promoting the industry as a whole.

Auger Built, Inc. has continuously been a licensed builder in the State of Michigan since 1994, License I.D. Number 2102124699.
