LETTER OF REFERENCE

Re: Recommendation of Fielek Group Builders, LLC

Dear Sir/Madam:

I am Managing Shareholder of the law firm, and write this letter of reference on behalf of Fielek Group Builders, LLC, and its members, Julie Fielek Matt Fielek and Wendy Hoover. I have known them for many years, and experienced their work first hand on many occasions.

Our firm moved to a new building this year. We retained Fielek Group Builders as our construction manager for the project. It involved assisting in designing the layout for the 15,000 square foot space to accommodate the needs of our firm, reviewing the construction plans for accuracy, and managing the construction as it progressed. The job went smoothly and ahead of schedule. Our office building also commented to us about how wonderful it had been to work with Julie and Wendy on the project. You should also know that beyond the routine construction work, both Julie and Wendy have a real eye for decorating. It is difficult for a group of lawyers to get together to review and select paints, carpeting, flooring and furniture. Julie and Wendy presented a couple of options, making it easy for the group to make a quick decision.

In addition to the work done for the law firm, I have also retained Julie and Wendy on several occasions for major remodeling of my home. Again, the excellent results say it all.

I would highly recommend Fielek Group Builders, LLC for your construction project. They are reputable, conscientious, and ethical.

If you should have any questions, please feel free to contact me.

Sincerely yours,

JOHNSON, ROSATI, SCHULTZ & JOPPICH, P.C.
